

Production Manager for large wean-to-finish farms in Romania

Premium Porc Group, one of the largest pig producers in Romania, is looking for experienced and results-oriented Production Manager to manage and optimize overall production for 3 wean-to-finish farms producing approx. 180.000 slaughter pigs per year.

It is a great opportunity for the right profile!

Are you the one?

- Do you have strong experience in wean-to-finish farms?
- Are you ambitious, hard-working and want to make a difference?
- Do you enjoy working with people and leading them towards achieving high production results?
- Do you like challenges and want to further develop yourself in a Danish company in Romania?

If you are, come and join us!

Main functions and responsibilities include:

- Manage and optimize the overall activities in the allocated farms to ensure production targets are reached.
- Lead, work closely and develop farm managers and team leaders; ensure all critical positions are covered.
- Ensure the SOP is implemented and followed accordingly.
- Responsible for the overall farms' biosecurity program; works closely with farm managers and biosecurity team to ensure all rules are followed.
- Analyze all activities inside allocated farms and focus on continuous improvement and increasing efficiency and workers' productivity.
- Provide support to farms managers and ensure all equipment and systems (ventilation, feeding, penning etc) are operating within optimal parameters and conditions;

Ideal candidates has:

- Strong experience working with slaughterpigs with excellent production results achieved; international experience represents advantage.
- Experience in a leadership position managing large teams of people/ workers; willing to lead the way towards the best production results.
- Very ambitious individual with strong desire to continuously improve and achieve high-level production results.
- Open-minded with excellent communication skills.
- Structured approach, know how to prioritize while managing multiple balls in
